

# CSWC Operational Period Summary

## 0600 May 15 to 1800 May 15 2014

Cocos Fire - Coronado Hills Road in San Marcos – CBS8 San Diego

**Cal OES**  
GOVERNOR'S OFFICE  
OF EMERGENCY SERVICES

# **SITUATION SUMMARY**

## **Governor Declares State of Emergency for the County of San Diego**

On May 14, 2014, Governor Edmund G. Brown Jr. declared a State of Emergency in San Diego County due to the wildfires that have burned thousands of acres, destroyed homes and other structures, damaged critical infrastructure and caused the evacuation of thousands of residents.

Please click [here](#) to view the entire declaration and press release.

### **Fire Activity Southern California**

#### **Santa Barbara County:**

Miguelito Incident – 632 acres 90% contained

#### **San Diego County:**

Pointsettia Incident - 400 acres 60% contained

Cocos Incident - 800 acres 5% contained

Highway Incident - 500 acres 100% contained(Final)

Bernardo Incident - 1,548 acres 85% contained

Tomahawk Incident - 6,000 acres 20% contained

Freeway Incident - 50 acres 50% contained

River Fire - 100 acres 30% contained

Aurora Fire - 17 acres 100% contained (Final)

Pulgas Fire – 500 acres 0% contained

# **Northern California – Significant Activity**

## **Crude Oil Release, Los Angeles, Los Angeles County (Final)**

- On 5/15/14 at 0016 hours, 20” pipeline valve malfunctioned resulting in the release of 8,000-10,000 gallons of crude oil.
- The pipeline was remotely shut off and the release has been stopped.
- An emergency dyke has been set up to contain the relapse and as a result, no waterways have been impacted.
- The area is a commercial/industrial area. No homes have been impacted and there are no affects on traffic.
- Cleanup crews are on site and cleanup operations are expected to take at least 24 hours.
- All fire resources cleared the scene at 1000 hours this morning. No other environmental or fire dangers remained. The oil company is recovering the crude oil which is still estimated to be 8,000 – 10,000 gallons.

## **Significant Weather Watches and Warnings**

### **Red Flag Warning:**

- In effect through Friday evening for areas in San Diego, Orange, Los Angeles, Ventura Kern and Tulare Counties

## **Cal EOC Incident – 2014 Drought**

- SOC / Inland REOC remains activated in support of 2014 Drought

## **Major construction U.S. Highway 50, Sacramento, Sacramento County**

- Please see “Fix 50” slides for additional information, including alternate routes.

# WEATHER

## WEATHER SYNOPSIS BY REGION:

### NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

#### **Eureka Weather:**

An upper level trough approaching the area will bring coastal low clouds and fog in the night and morning and cooler temperatures to the inland areas. Some rain is possible Sunday and Monday with a return to high pressure and dry weather Tuesday and Wednesday.

#### **San Francisco Weather:**

Minor cooling will begin this afternoon along the coast before spreading inland Friday and through the weekend. By Sunday, temperatures will generally range from the 60s along the coast to the mid 70s inland, near normal temps for the middle of May.

### CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

#### **Sacramento Weather:**

Upper ridge will weaken as trough moves into the Pacific Northwest this weekend. Slightly cooler temperatures tomorrow and much cooler readings on Saturday into next week. There will be a slight chance of showers early next week as a trough moves through the area.

#### **Hanford Weather:**

Strong high pressure over Central California with well above normal temperatures are expected through the remainder of the week. A cool down is expected this weekend and into early next week.

## **WEATHER SYNOPSIS BY REGION: (Cont.)**

### **SOUTHERN CALIFORNIA:**

#### **Los Angeles Weather:**

Hot and dry weather will continue for much of the area into Friday despite an increase in onshore flow. More significant cooling is expected for the weekend as low pressure approaches from the north. Low pressure will bring cool weather with night through morning low clouds and fog through the middle of next week.

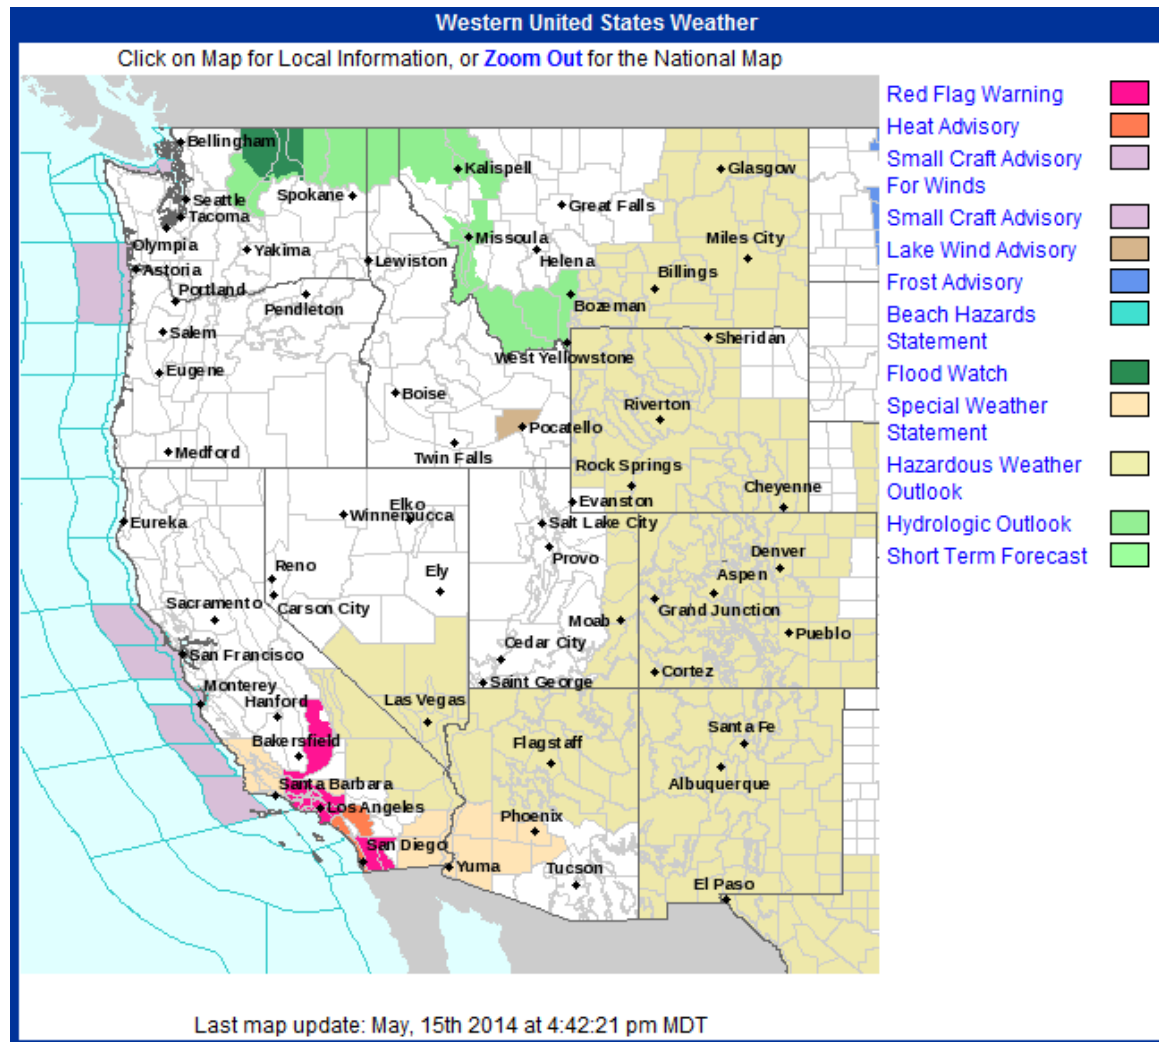

#### **Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:**

Very hot and dry conditions will continue across southern California again today...due to strong high pressure aloft. a cooling trend will develop along the coast on Friday, spreading across the inland areas this weekend as the ridge of high pressure slowly gives way to a trough of low pressure. the trough will deepen over the west early next week with the marine layer and onshore flow returning as well as much cooler conditions. periods of gusty west winds are likely in the mountains and deserts these days.

#### **Southeast California Weather:**

High pressure over the region will lead to dry conditions and the warmest temperatures so far this year Friday and Saturday. A low pressure system will bring cooler weather area wide beginning on Sunday...along with breezy winds in the Mojave desert.

- City of Carlsbad: Due to wildfires burning in and around City. No requests for State Assistance
- City of Bernardo: Due to wildfires burning in Northeastern San Diego County. No requests for State Assistance

# **FIRE ACTIVITY**

## **Miguelito, Vegetation Fire, Santa Barbara County**

### **Fire Information:**

- Jurisdiction: SRA / LRA
- Size: 632 acres, 90% contained
- Structures threatened: 23
- Structures damaged or destroyed: 0
- OES engines have been released
- An FMAG has been received by Cal OES and is currently on hold as it does not meet the FMAG criteria

### **Emergency Management:**

#### **Evacuations**

- Per Santa Barbara County OEM, evacuations have been lifted for all areas other than Miguelito Canyon and residents are returning to their homes

#### **Shelters**

- Per the Santa Barbara County OEM, the shelter at Trinity Church of the Nazarene, 500 E. North Avenue, Lompoc is closing.
  - Overnight population: 0

#### **Activations**

- Southern REOC is currently activated at Level 2
- Santa Barbara County EOC is currently activated at Level 1

#### **Cal OES Deployments**

- Cal OES Fire Assistant Chief released from incident

# **FIRE ACTIVITY**

## **Poinsettia Fire, Carlsbad, San Diego County**

### **Fire Information:**

- Jurisdiction: LRA
- Size: 400 acres, 60% contained

### **Emergency Management:**

- A Fire Management Assistance Grant (FMAG) has been received by Cal OES and has been approved. The FEMA FMAG number will follow in approximately 1 – 2 days

### **Evacuations**

- San Diego County Sheriff has used Reverse 911 to notify 70,589 homes
- Poinsettia and Aviara Oaks Elementary schools have been evacuated. Poinsettia students are going to Carrillo Elementary and Aviara Oaks students are being evacuated to Brighton Gardens of Carlsbad Senior Center, 2588 El Camino Real. Pacific Rim Elementary is sheltering in place at 1100 Camino de las Ondas.

### **Shelters**

- La Costa Canyon High School (ARC) and Calavera Hills Community Park (City of Carlsbad) have been set up as shelters. Shelter population as follows:
  - La Costa Canyon High School: 25
  - Calaveras Hills Community: 45

### **Activations**

- Southern Region Emergency Operations Center (SREOC) is currently at Level 2 activation.
- San Diego County activated their Emergency Operations Center (EOC) to Level 3.

### **Cal OES Deployments**

- Cal OES Fire Assistant Chief assigned to incident.

# **FIRE ACTIVITY**

## **Cocos Fire, San Diego County**

### **Fire Information:**

- Jurisdiction: LRA /SRA
- Size: 800 acres, 5% containment
- Continued structure threat
- Evacuations in progress
- Originated in LRA and moved to SRA
- Cal Fire in Unified Command with San Marcos FD, and North County FD

### **FMAG**

- An FMAG has been received by Cal OES and has been approved by FEMA. A FEMA FMAG number will follow in 1 – 2 days.

### **Evacuations**

- San Diego County Sheriff has used Reverse 911 to notify 21,027 homes
- Approximately 2,000 homes evacuated, 1,200 threatened

### **Shelters**

- A Red Cross shelter has been established at Mission Hills High School, 1 Mission Court, San Marcos.
  - Shelter population is: 241
- Shelters have been opened at the following locations: San Marcos Middle School, 650 W. Mission Road, San Marcos; and Escondido High School, 1535 N. Broadway, Escondido.

### **Activations**

- Southern Region Emergency Operations Center (SREOC) is currently at Level 2 activation.
- San Diego County and the City of San Marcos activated their Emergency Operations Center (EOC) to Level 3.

### **Cal OES Deployments**

- 2 Cal OES Fire Assistance Chief's assigned

# FIRE ACTIVITY

## Highway Fire, San Diego County (Final)

### Fire Information:

- Jurisdiction: SRA
- Size: 500 acres, 100% contained
- I-15 reopened
- Slow rate of spread
- Immediate structure threat

### Shelter

- Fallbrook High School has been established as a shelter.

### Activations

- Southern Region Emergency Operations Center (SREOC) is currently at Level 2 activation.
- San Diego County activated their Emergency Operations Center (EOC) to Level 3.

# **FIRE ACTIVITY**

## **Bernardo Incident, San Diego County**

### **Fire Information:**

- Jurisdiction: LRA threatening SRA
- Size: 1548 acres, 85% contained
- Fuels: Grass and medium brush
- No structure threat
- No destroyed structures

### **Emergency Management:**

- A Fire Management Assistance Grant (FMAG) has been received by Cal OES and is currently on hold as it does not meet the FMAG criteria

### **Evacuations**

- San Diego County Sheriff has used Reverse 911 to notify 22,000 homes

### **Activations**

- Southern Region Emergency Operations Center (SREOC) is currently at Level 1 activation.
- San Diego County activated their Emergency Operations Center (EOC) to Level 3.

### **Cal OES Deployments**

- Cal OES Fire Assistant Chief assigned to incident.

# **FIRE ACTIVITY**

## **Tomahawk Fire, San Diego County**

### **Fire Information:**

- Jurisdiction: FRA
- Size: 6,000 acres, 20% containment
- Cal Fire is assisting
- Extreme fire behavior
- Fire confined to the Camp Pendleton

### **Emergency Management:**

### **Evacuations**

- Base Housing structures threatened and being evacuated
- Evacuees are being sent to De Luz, Page Field House, Bldg 110 on base

### **Activations**

- Southern Region Emergency Operations Center (SREOC) is currently at Level 2 activation.
- San Diego County activated their Emergency Operations Center (EOC) to Level 3.

### **Cal OES Deployments**

- Cal OES Fire Assistant Chief Dennis Beene en-route to incident.

# FIRE ACTIVITY

## **Freeway Fire, San Diego County**

### **Fire Information:**

- Jurisdiction: FRA (MCP)
- Size: 50 acres, 50% contained
- Forward rate of spread has been stopped

# **FIRE ACTIVITY**

## **River Fire, San Diego County**

### **Fire Information:**

- Jurisdiction: LRA
- Size: 100 acres, 30% contained
- Moderate rate of spread
- Heavy brush, Riparian area
- 2 structures destroyed

### **Activations**

- Southern Region Emergency Operations Center (SREOC) is currently at Level 2 activation.
- San Diego County activated their Emergency Operations Center (EOC) to Level 3.

### **Cal OES Deployments**

- Cal OES Fire Assistant Chief assigned to incident.

# **FIRE ACTIVITY**

## **Aurora Fire, San Diego County (Final)**

### **Fire Information:**

- Jurisdiction: LRA
- Size: 17 acres, 100% contained
- Forward spread stopped

### **Activations**

- Southern Region Emergency Operations Center (SREOC) is currently at Level 2 activation.
- San Diego County activated their Emergency Operations Center (EOC) to Level 3.

# **FIRE ACTIVITY**

## **Pulgas Vegetation Fire, Oceanside, San Diego County**

Location: Northbound I-5 at Las Pulgas Road, Oceanside, San Diego County, Jurisdiction: **FRA**

- Start Date/Time: 05/15/14 1445 hours
- 500 acres, 0% contained
- 91°, 11% RH, 10 mph, North West
- Moderate to dangerous rate of spread
- Medium to heavy brush
- Structure threat to Camp Pendleton Fire Station #6

### **Activations**

- Southern Region Emergency Operations Center (SREOC) is currently at Level 2 activation.
- San Diego County activated their Emergency Operations Center (EOC) to Level 3.

## **“Fix 50” Information**

### **Major Construction U.S. Highway 50, Sacramento, Sacramento County**

- Major construction is scheduled on a section of U.S. Highway 50 in Sacramento between 18th and 24th Streets.

### **2014 Project Dates**

### **Roadway Construction Timing:**

**Eastbound Highway 50: April 22 – May 21**

### **Phase 2: May 2 - May 21**

- During Eastbound, Phase 2 (May 2 – 21), the following ramps will be closed: - 16th Street On-Ramp - Connector ramp from eastbound Highway 50 to southbound Highway 99 - Connector ramp from eastbound Highway 50 to eastbound Business 80
- At least 3 lanes will be open
- Westbound traffic will be fully open as normal with no impact.

## **“Fix 50” Information (Cont.)**

### **Major Construction U.S. Highway 50, Sacramento, Sacramento County**

#### **Alternate Routes:**

**During work in the EASTBOUND direction (April 22 – May 21):**

#### **If traveling from Elk Grove/Laguna to Rancho Cordova/Folsom:**

- Use Freeway-99 North to US-50 East
- Do **not** use I-5 North to US-50 East

#### **If traveling from Davis to Downtown Sacramento:**

- Use I-80 to I-5 South, to Richards Blvd or “J” Street off ramps
- Do **not** take I-80 to US-50 East

#### **If traveling from Natomas/Davis to Rancho Cordova/Folsom:**

- Use I-80 East to Watt Ave exit-South to Business-80 on-ramp to US-50 East.
- Do **not** use I-5 to US-50 East.

#### **If traveling through the project area during Phase 2 (Closed connector ramps to Business-80 and Freeway-99):**

- Use Hornet Drive (Howe/Power Inn exit) to turn around onto US-50 West

[Back to Front Page](#)

## “Fix 50” Information (Cont.)

### Fix50 Eastbound Work to Finish Early

All Eastbound lanes to be fully open by Friday morning, May 16

The Fix50 project is ahead of schedule, and motorists will get a nice break for Memorial Day Weekend when all lanes will be open. Eastbound Phase 2, which began five days early to resurface the outside lanes of Highway 50 between 18th and 24th Streets in Sacramento, will finish 6 days early on May 16.

All lanes of Highway 50 will be open to motorists for a full ten days. Work will resume after Memorial Day Weekend so there will be no interruption for travelers over the holiday when the [Sacramento Music Festival](#) and [County Fair](#) are in town.

"Caltrans would like to thank our partners for their added outreach, staff, and services that helped to increase public awareness and alleviate traffic issues," added Director Jones. "We also thank drivers who changed their regular workday commute, or chose alternate modes of transportation. Those motorists who chose to bike commute, use light rail, bus, train, walk, carpool, and avoided unnecessary trips helped lessen the overall traffic impacts in the region."

Additionally, Caltrans advises the public to continue advanced travel planning for the closures scheduled on the westbound side and to expect additional delays.

On Thursday evening, May 15, crews will begin the process to reopen all eastbound lanes. The change-over will begin at approximately 9 PM, and involves removing K-rail barriers, changing the sign structures, and sealing and restriping the newly completed lanes into their original configuration. The full transition will finish by 7 AM Friday morning May 16, concluding all traffic-interfering work on eastbound Highway 50 in the W-X Viaduct. There will be some finishing work to do once both phases are complete, but nothing that will require major traffic interference.

Hornet Drive, which has been closed to Folsom Blvd. traffic for use as a detour, will also be reopened Friday morning and will remain open until Westbound Phase 2 begins.

Traffic heading to the [Sacramento Republic FC](#) game at [Hughes Stadium](#) on Saturday, May 17 will be able to use the connector ramp from eastbound Highway 50 to southbound 99 to get to the game.

# **CAL OES DROUGHT ACTIVATIONS**

## **Cal EOC Incident – 2014 Drought**

- The SOC is activated at Level 2 in support of the Drought State of Emergency from 0800-1700 hours daily.
- The Inland REOC is activated at Level 2 from 0800-1700 Monday through Friday or as needed.
- The Southern REOC is activated at Level 1.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is 0800-1700 hours.

## **Cal EOC Incident – 2014 Drought**

### **Situational Summary**

On January 17, 2014 Governor Edmund G. Brown proclaimed a State of Emergency and directed state officials to take all necessary actions to prepare for drought conditions. The State Operation Center (SOC) is activated to implement objectives in support of the Governor's priorities. The lack of winter rain and snowfall has resulted in extremely dry conditions in many parts of the State. Reservoir levels are down significantly from where they should be on average for this time of year. If conditions continue without substantial rainfall, severe impacts to municipal water supplies, agriculture (plants and livestock) and firefighting capabilities are likely in store for the State over the next few months. Negative economic impacts will also result.

**\*\*As our state's rainy season comes to an end, it is highly unlikely that precipitation totals will increase significantly. This winter's below average rain and snowfall worsens conditions in this third straight dry year.\***

The drought could result in severe impacts to the municipal water supplies, wells, agriculture (plants and livestock) and firefighting capabilities for several months. The SOC continues to be activated to monitor the situation statewide, and support regional and local operational areas.

## Situational Summary (Cont.)

- The Taskforce continues to meet regularly to take actions that conserve water and coordinate state response to the drought.
- The most recent snowpack survey, conducted on April 1, recorded California snowpack at 32% of normal. A more recent update using automated devices shows snowpack at 19% of normal as of April 20.
- DWR has announced that water essential for health and safety will be delivered through the state water project in spite of the zero allocation policy. Deliveries will be boosted if storms produce enough rain and snow to increase reservoir storage and the snow pack.
- Cal OES continues to gather drought-related costs from state agencies and local governments.

# CAL OES MISSIONS

## New Cal OES Missions

- **2014-LAW-3619** AFRCC reports a PLB sounding near Redding in Shasta County. No registered owner information on file. Cal OES Law Duty Officer is coordinating resources.

## Ongoing Cal OES Missions

- **2014-LAW-2798** El Dorado County is planning an in-county SAR exercise on 07/15/14 for their volunteers and have requested the assistance of the California National Guard (CNG) aviation assets to support the exercise. Elements of the exercise will include an orientation to the various CNG air assets (H-72, H60 and CH47), hoist training, patient packaging for air evacuation and ground team insertion and extraction training.
- **2014-LAW-2679** The 95th CST will provide Joint Hazard Assessment Team support in support of SFPD's Special Operations Bomb Squad at the 2014 Bay to Breakers Marathon. Radiation detection teams will survey background levels of radiation as part of the overall security plan. The 95th deployment will include advanced planning and pre-positioning prior to race day.
- **2014-LAW-2483** The 95th CST will provide area monitoring, secure communications, and WMD expertise for the IRL Racing Event at Sonoma Raceway August 22-24, 2014. They will assist with advanced planning and be pre-positioned prior to the start of the event.

# CAL OES MISSIONS

## Ongoing Cal OES Missions (Cont.)

- **2014-LAW-2481** The 95th CST will provide area monitoring, secure communications, and WMD expertise for the NHRA Racing Event at Sonoma Raceway July 25-27, 2014. They will assist with advanced planning and be pre-positioned prior to the start of the event.
- **2014-LAW-2478** The 95th CST will provide area monitoring, secure communications, and WMD expertise for the NASCAR Racing Event at Sonoma Raceway June 20-22. They will assist with advanced planning and be pre-positioned prior to the start of the event.

## **UPCOMING EVENTS, TRAINING, EXERCISES**

### **Diablo Canyon Power Plant Full Scale Exercise**

Diablo Canyon Power Plant in San Luis Obispo will be hosting a full scale Hostile Action Based FEMA evaluated exercise on May 21, 2014. This is part of the required biennial demonstration of our ability to protect the public from a radiological incident at the nuclear power plant.

**Mission:**

We protect lives and property, build capabilities, and support our communities for a resilient California.

*We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.*
